

CORE BITS

ZENESIS™ ZDGUL OBSIDIAN

Core Bit

APPLICATION SNAPSHOT

ZENESIS™ Obsidian Diamond Core Bit is the most versatile tile and stone core bit ever made. It

comes with more features than any core bit on the market. New technology allows this bit to drill

perfect clean holes in porcelain, granite, marble, ceramic, DEKTON® and quartzite dry or wet!

Exclusive ZENESIS™ pattern diamond segments give up to 70% longer life over random pattern

segments.* Unique drop segments for added durability and weld protection. First core bit ever
