

DIAMOND BLADES

ZENESIS™ ZERG Z-turbo

Turbo Blade

APPLICATION SNAPSHOT

Delivering fast and clean cuts at an affordable price, the new ZENESIS™ Z-TURBO BLADE gives

you maximum value. The blade's narrow turbo design effectively reduces chipping. It comes with

■ush cut holes and a unique bond that maximizes performance on granite and engineered stone.

ZENESIS™ is excited to offer two new sizes of our premium Z-Series turbo blades. The 9" blade is

the fastest blade ever made for the new 9" battery-operated saws. Our new 10" blade is designed

CONFIGURATIONS & TECHNICAL DETAILS

to cut natural stone and high PSI concrete pavers on 10" tile saws. For stone shops using 10"	blades to cut backsplash, this blade is ideal. Also available with alternate arbors.
